**Subject:** Rod Dansie

Dear Mary Ann,

I understand that Rod Dansie has approached DOGM on one or more occasions raising complaints against KUCC in relation to alleged soil and groundwater contamination of his property in the Herriman area. For your information, I have attached a copy of a letter, with enclosures, that KUCC has sent to Mr. Dansie responding the various claims he had made over the years. Normally we would not involve agencies in a private dispute such as this, but since Mr. Dansie has been somewhat vocal in raising his issues with various agencies, we thought you should have a copy of our response.

Please contact me if you have any questions on this matter.

Regards,

Ken Barrett
